**General Information**

**The intent of this document is to provide general information about registration. Please refer to the Board of Examiners of Psychologists Health Occupations Article 18 and COMAR 10.36.07 for a full description of the laws and regulations that govern the practice of psychology as a Psychology Associate.**

**Psychology Associate:** Psychology Associates are registered to provide psychological services under the supervision of a licensed psychologist for a two (2) year period. Registrations are renewed every two (2) years. To apply for a psychology associate registration an applicant must submit the following to the Board:

- An application;
- A nonrefundable application fee
- Required supporting documentation;
- An official transcript sent by the school/s to the Board from an accredited college or university with at least a master's degree that meets the requirements in regulations COMAR 10.36.07.04;
- A current Criminal History Records Check; and
- The fee to take the jurisprudence examination.

**Incomplete applications will not be reviewed.** Applicants will be notified within 30 days of a decision.
